Quality Solution

# MoRT RP 75

A Better Way to Safely  
Change Your Roll Packs

## WHAT TO KNOW

**Unprecedented maneuverability**  
Mecanum wheels allow driving  
in any direction

**Decreases down-time**  
Safely carry fully rigged roll packs to  
and from the mill

**Only 24" wide**  
Drive through the narrowest of corridors

**Specifically designed for OCRIM RMI  
and RMX roller mills**  
Roll pack platform raises from 21" to 54"

**Reduces risk of injury to personnel**  
No more muscling through narrow  
aisleways
